The conference will take place in a hybrid system – physical and online (using the Microsoft Teams platform).

The opening of the conference proceedings and the presentation of the papers in plenary will take place on November 19th between 10.00 AM till 12.00 PM, when all participants are invited to connect online.

The works on the sections will be carried out in a hybrid system, after the completion of the works in plenary, starting with 12.30 PM.

5 days before the start of the conference, each participant will receive an access link, for plenary communications and for section papers, on the personal email address sent in the registration form.
