

User guide for the 2020-2021 Admission Portal

Using the portal, candidates can register online in the undergraduate and master's degree programs for the academic year 2020-2021.

Candidates are responsible for correctly uploading all signed (where applicable) and scanned documents in the portal.

Candidates are responsible for the authenticity and correspondence between digital / scanned and original documents, which are to be presented in the candidate's file in physical format, in the case of admitted candidates.

Additional information on the documents required for enrollment is available on [Admission 2020](#) page for each faculty, in the [International](#) section or in the [Regulation on the organization and conduct of admission to undergraduate and master's degree courses for the academic year 2020-2021, amended by Senate Decision no. 80/22nd June 2020](#).

The steps for online registration are as follows:

1. Accessing the portal
2. Create an account
3. Connecting to the portal
4. Filling in the enrollment form for a study program
5. Uploading the documents in the admission file
6. Payment of the registration / admission fee
7. Sending the documents in physical format.

STEP 1: ACCESS THE PORTAL

- Directly at <https://admitere.utm.ro/>
- At www.utm.ro/en/, **Admission 2020** menu, accessing **“Online Registration”** button.

STEP 2: CREATE YOUR ACCOUNT

Fill in your personal data to create your account in the admission portal. This information will be submitted in the next step in the Registration Form, so you need to make sure that the information is correct and complete.

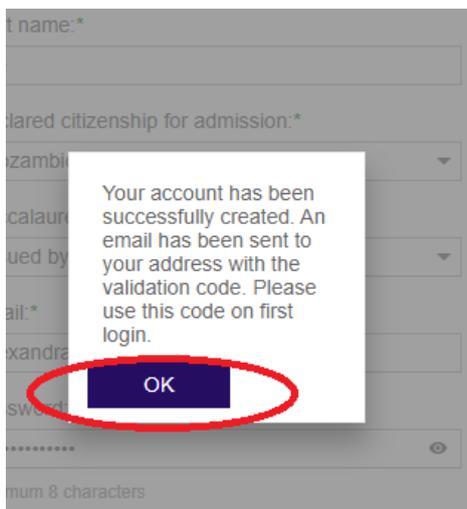

2.1. Select the Register button and fill in your personal data using a personal email address.

- Declared citizenship - in the case of candidates who have more than one citizenship, please select the citizenship you wish to be registered in the official study documents.

2.1.Go to the Create an account button:

2.2. **Check the email address used for registration.** You will receive an access code required the first time you log in to the portal.

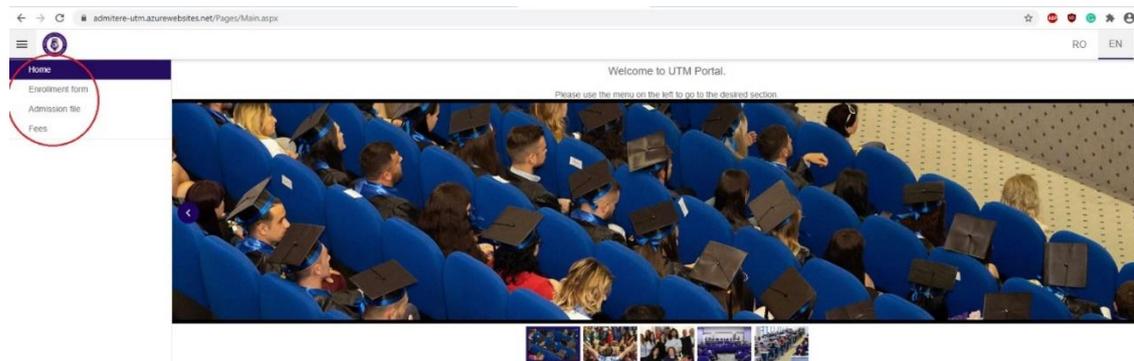

STEP 3: CONNECT IN THE PORTAL

3.1. Access the portal using the link in Step 1.

3.2. Select **Sign In** and enter your email, password and validation code (for the first login), then go to **“Login”** button.

3.3. View the menu with the following features on the left

- a. **Home**
- b. **Enrollment form:** contains the enrollment form for admission to a study program. The portal allows you to enroll in several study programs. For each enrollment in a new study program, access the Enrollment Form.
- c. **Admission file:** contains the study programs you have enrolled in, and for each entry in this menu you will be able to upload the documents required for the admission file.
- d. **Fees:** contains information on the value of admission and tuition fees that you will pay, having the possibility to make payments from the portal. This information becomes visible after the admission file to a study program has been uploaded and validated by the Secretary / Department of International Relations.

STEP 4: REGISTER FOR ADMISSION TO A STUDY PROGRAM

4.1. Choose the study program after accessing the Enrollment Form.

To view the study programs, you can access Enrollment info. After selecting the study program, access “**Choose**” button.

tel.: 021 316 16 46, fax: 021 311 22 97, e-mail: rectorat@utm.ro, www.utm.ro

Dear

We are glad you have chosen Facultatea de Medicină-Medicină în limba engleză -Licență -IF at Titu Maiorescu University.

Registration for admission at Facultatea de Medicină-Medicină în limba engleză -Licență -IF involves uploading on the platform the following documents in electronic format (.pdf, .jpg etc).

1. Application form for Enrollment in the admission – signed – attached to this email. Please sign the application form and scan it.
2. Information note and Declaration of consent for the processing of personal data (GDPR) – attached to this email. Please sign the forms and scan them.
3. Application form for recognition of international studies - attached to this email. Please sign the application form and scan it.
4. ID/ passport copy - copy for documents issued in Romanian, English, French language or copy and original certified translation in Romanian for other languages. The original document must be presented at the admission.
5. High school diploma/ Baccalaureate diploma/ Certificate of passing high school exam (or its equivalent), original and copy. Candidates that are students at another faculty present a certified copy of the baccalaureate diploma according with the original or a legalised copy of the baccalaureate diploma, together with the student certificate stating that the original study documents are in the student's file at the respective faculty. The baccalaureate diploma must be submitted in original to the faculty's secretariat if you are declared admitted. Candidates who have studied high school outside Romania or in Romania in a language other than Romanian present the baccalaureate diploma and the transcript of records, in original and legalized translation (in original) in Romanian. Diplomas from countries that are members of the Hague Convention request a Hague Apostille from the authorities of the country that issued the document. Diplomas issued in countries which are not party to the Hague Convention must be authenticated by the Ministry of Education and the Ministry of Foreign Affairs of the issuing country, and the Embassy of Romania in that country. (Lista tarilor pentru care se solicita apostilarea/supralegalizarea). Diplomas from Republic of Moldova do not need any form of authentication; diplomas issued before 2008 will need a Certificate of Authenticity from the Ministry of Education of Moldova (original).
6. Birth certificate - copy for documents issued in Romanian, English, French language or copy and original certified translation in Romanian for other languages. The original document must be presented at the admission.
7. Marriage certificate (if applicable) - copy for documents issued in Romanian, English, French language or copy and original certified translation in Romanian for other language. The original document must be presented at the admission.
8. Divorce certificate (if applicable) - copy for documents issued in Romanian, English, French language or copy and original certified translation in Romanian for other languages. The original document must be presented at the admission.
9. Proof of legal name change (if applicable) - copy for documents issued in Romanian, English, French language or copy and original certified translation in Romanian for other languages. The original document must be presented at the admission.
10. Medical certificate, in English or Romanian, issued this year, specifying that the candidate is apt for higher education studies in the chosen field (e.g. medical field). If the medical certificate is issued in other language you must upload a certified translation in accordance with the original or legalized.
11. Language proficiency certificate for English (simple copies) B1 level at minimum, issued by institutions authorized by the Ministry of National Education, or an internationally recognized certificate for English (e.g. TOEFL, Cambridge IELTS). Candidates who are citizens of countries in which the official language is English or have study documents certifying high school graduation in English are exempt from this obligation. Certificates with limited validity must be valid at the beginning of the academic year in which the applicant enrolled.
12. One recent photo, size 3/4.

Please make sure that the documents scanned and uploaded on the platform are clear and easy to read.

The documents will be verified, and you will soon receive an email informing you of your file's status (accepted, validated, incomplete, rejected). The complete list with all the documents can be found at <https://www.utm.ro/admitere/#international>

If your file is accepted and validated, you will receive information regarding the payment of the admission fee in the amount of RON.

[Descărcați toate celelalte fișiere atașate sub formă de fișier zip](#)

4.5. Sign and scan these documents to upload them in the portal, in the Admission File.
