

SCHEDULE
Second semester 2021 / 2022

	Group	8-10	10-12	12-14	14-16	16-18	18-20	
MONDAY	1	The morphology of teeth and dental arches 408			The morphology of teeth and dental arches A I			
	2			The morphology of teeth and dental arches 408				
	3						Anatomy	
	4			Anatomy				
TUESDAY	1			Anatomy	Anatomy.Embriology II P 1			
	2						Anatomy	
	3	The morphology of teeth and dental arches 408						Biochemistry V Floor
	4			The morphology of teeth and dental arches 408			Biochemistry V	
WEDNESDAY	1	The morphology of teeth and dental arches 408		Physiology II/2	Physiology II Groundfloor 2			
	2			The morphology of teeth and dental arches 408			Physiology II/2	
	3		Physiology II/2					
	4						Physiology II/2	
THURSDAY	1	Biochemistry V	Biochemistry of Oral Cavity P1		Romanian Language II	Contraception VS Familial Planning (Opt) P1 8th -14th Week	Physical Education	
	2							Biochemistry V
	3							
	4							
FRIDAY	1				Histology ; Cytology A Groundfloor	Histology Basement		
	2					Histology Biocel I		
	3	The morphology of teeth and dental arches 413					Histology Basement	
	4			The morphology of teeth and dental arches 413			Histology Biocel I
