

Curriculum vitae

HUTOPIA IONUT-CRISTIAN

Activitate profesională:

- 2020** - Medic Primar Chirurgie Generală - Ponderas Academic Hospital București
- 2014** - Medic Specialist Chirurgie Generală – Delta Hospital București
- 2014** - Instructor/Lector in DELTA Endoscopic Surgery Training Center- din 2017 Surgical Training Institute (STI) Romania – cursuri de chirurgie minim invazivă acreditate de Asociatia Romana pentru Chirurgie Endoscopica si alte Tehnici Interventionale (ARCE) si de Societatea Europeana de Chirurgie Endoscopica (EAES)
- 2008** - Medic Rezident Chirurgie Generală – Spitalul Clinic de Urgență București
- 2005** – Doctorand Universitatea Titu Maiorescu

Competente:

- 2021** – Atestat Chirurgie Oncologică – Ministerul Sanatatii Romania
- 2021** - Chirurg de excelență în chirurgia minim invazivă - Surgeon of Excellence in Minimally Invasive Surgery - Accreditation by Surgical Review Corporation – United States of America
- 2020** - Master Surgeon in Bariatric and Metabolic Surgery - Accreditation by Surgical Review Corporation – United States of America
- 2019** - Fellow of the European Board of Surgery – Division of Minimally Invasive Surgery – U.E.M.S. and E.A.E.S. Sevilla, Spania

2019 - Chirurg de excelență în chirurgia bariatrică și metabolică - Surgeon of Excellence in Bariatric and Metabolic Surgery – Accreditation by Surgical Review Corporation – United States of America

2019 - FUSE™ Certification, Society of American and Gastrointestinal Endoscopic Surgeons– Certificare în utilizarea sistemelor de electrochirurgie

2017 - Atestat de Chirurgie laparoscopică Tehnici avansate – Nivel II – Ministerul Sănătății Romania

Cursuri:

“ Fluorescence - Let’s see the invisible and improve outcomes in surgery”, 24th November 2021, Barcelona, Spain

“1st CEMA Bariatric Summit”, January 17-18th 2020, Istanbul, Turkey

“ SAGES Fundamental Use of Energy Program (FUSE)”, U.S.A. , Course and Examination, Kryterion Testing System, 29th October 2019 , Bucharest, Romania

“ New trends in minimally invasive abdominal wall surgery EAES”, 12-15th June 2019, Sevilla, Spain

“1st European Robotic Hernia Repair Workshop”, Prof. Konstantinos Konstantinidis, 6th-7th May, 2019, Athens, Greece

“ Revisional Surgery for Weight Regain”, 23rd World Congress of IFSO, September 26th, 2018, Dubai, United Arab Emirates

“Laparoscopic colon surgery”, 2018, Kepler University, Linz, Austria

“Complex Abdominal Wall Reconstruction”, December 6th-7th, 2017, Exeter, United Kingdom

“Surgeon Technology Summit- Suturing and Sealing Devices”, November 29th-30th, 2017, North Haven , Connecticut, United States of America

Chirurgia Robotică în patologia pelvisului - “Robotic assisted surgery for pelvic pathology”, June 30th- July 1st, 2017, Bucharest, Romania

Chirurgie laparoscopica avansata a colonului si rectului - “ Advanced Laparoscopic Colon and Rectal Surgery”, April, 1st-4th, 2015, Bucharest, Romania

Seminar pentru cancerul gastric - "Advanced Workshop on Gastric Cancer", November 20th-21th, 2014, Bucharest, Romania

Tehnici chirurgicale pentru repararea defectelor abdominale - "Laparoscopic techniques in the repair of abdominal wall defects" (hands on course), March 18th-20th, 2013, Bucharest, Romania

Chirurgie minim invaziva in Chirurgia bariatrica si Metabolica - "Minimally Invasive techniques in Bariatric and Metabolic Surgery" (hands on course), December 14th, 2012, Bucharest, Romania

"EAES Laparoscopic Lower Gastrointestinal Surgery Course" (hands on course), November 12th-15th, 2012, Cuschieri Skills Centre – University of Dundee, Scotland, United Kingdom

"EAES Laparoscopic Upper Gastrointestinal Surgery Course" (hands on course), March 8th-11th, 2011, Cuschieri Skills Centre – University of Dundee, Scotland, United Kingdom

Tehnici laparoscopice in chirurgia ginecologica - "Laparoscopic techniques in Gynecological surgery – basic and advanced techniques Course" (training on simulator and swine models), November 17th-19th, 2010, Bucharest, Romania

Tehnici fundamentale in chirurgia laparoscopica - "Getting started in laparoscopic surgery – Laparoscopic cholecystectomy and other fundamental techniques Course" (training on simulator and swine models), March 4th-6th, 2009, Bucharest, Romania

Tehnici Moderne in Chirurgia Toracica - "Modern technologies in Thoracic surgery"- Thoracoscopy, VATS and mechanical sutures devices workshop, November 2008, Bucharest, Romania

Publicatii:

Hernia Hiatala este mai frecventa dectă stim preoperator.Descoperiri intraoperatorii la pacienti cu gastrectomie longitudinală laparoscopică - "Hiatal Hernia is more frequent than expected in bariatric patients. Intraoperative findings during Laparoscopic Sleeve Gastrectomy". Authors: **Ionut Hutopila, Catalin Copăescu** in "Chirurgia", No.6, 2019, Bucharest, Romania

Re - sleeve – o procedura revisionala eficienta“ - Re-sleeve gastrectomy – An efficient revisional bariatric procedure – 3 years results”. Authors: Simona Filip, **Ionut Hutopila**, Catalin Copaescu in “Chirurgia”, No.6, 2019, Bucharest, Romania

Refluxul gastroesofagian inainte de chirurgia metabolica - “Gastroesophageal Reflux Before Metabolic Surgery”. Authors: **Ionut Hutopila**, A. Constantin, Catalin Copaescu in “Chirurgia”, No.1, 2018, Bucharest, Romania

Pancreatectomie distala laparoscopica cu conservarea splinei - “Laparoscopic Spleen Preserving Distal Pancreatectomy with Splenic Vessels Preservation” – technique with DVD movie . Authors. V.Tomulescu, I.Hutopila, C.Copaescu Chirurgia 2018, Bucharest, Romania

Boala de reflux gastro-esofagian si Obezitatea - “GastroEsophageal Reflux Disease and Obesity” . Authors: C.Copaescu, **I.Hutopila**, chapter in Textbook of Pathology and Esophageal Surgery, coordinator Prof. Dr. Silviu Constantinoiu, Bucharest, 2017

Lucrări prezentate :

Chirurgia bariatrica la pacientii obezi cu boala inflamatorie intestinala
- “ Bariatric Surgery in Obese patients with Inflammatory Bowel Disease” .
Authors:. **I.Hutopila**, S.Grigoruta. The VII th Congress of Royal Club of Physicians, October 11-16th 2021 – online , Bucharest, Romania

Complicatii chirurgicale bariatrice in timpul pandemiei CoVid 19 -
“Bariatric Surgery complications in COVID -19 Pandemic – a nightmare for general surgeons” Authors: **I.Hutopila**, C.Copaescu. The XXX th edition of National Surgery Congress – online , November 5th-7th , 2020, Romania

Migrare timpurie a jonctiunii eso-gastrice dupa gastrectomia longitudinala laparoscopica - “Early Migration of the GEJ After LSG ?”.
Authors: **I.Hutopila**, Ciocoiu, Paunescu, C.Copaescu. The 11th National Symposium of Bariatric and Metabolic Surgery, November 23th, 2019 ,Bucharest , Romania

TAR robotic avantaj fata de TAR laparoscopic - "Robotic TAR Advantages to the Laparoscopic Approach ? ". Authors: **I.Hutopila**, C.Copaescu. The 10th National Congress of the Romanian Association for Endoscopic Surgery, 21-23 November 2019, Buchrest, Romania

Chirurgia robotica a peretelui abdominal "Abdominal Wall Robotic Surgery". Author: **I.Hutopila**. The IVth Congress of Royal Club of Physicians, October 11-13th, 2018, Bucharest, Romania

Rezultate la 2 ani dupa procedura Narbona Arnau – o procedura pentru controlul bolii de reflux gastroesofagian dupa gastrectomia longitudinala laparoscopica- "Two years results of Narbona – Arnau Procedure to control the GastroEsophageal Reflux Disease after Laparoscopic Sleeve Gastrectomy". Authors: **I.Hutopila**, C.Copaescu. The 9th National Symposium of Bariatric and Metabolic Surgery, November 25th, 2017, Bucharest, Romania

Atitudine in tratamentul herniilor abdominale la pacientii cu obezitate - "Strategies for Abdominal Hernia Repair in Morbidly Obese Patients". Authors: **I.Hutopila**, M.Buza, S.Filip, C.Copaescu. The 9th National Congress of the Romanian Association for Endoscopic Surgery, November 23-25th, 2017, Bucharest, Romania

Optiune pentru tratamentul herniei hiatale si a bolii de reflux gastroesofagian dupa gastrectomia longitudinala laparoscopica - "An option for the treatment of Hiatal Hernia and GastroEsophageal Reflux after Laparoscopic Sleeve Gastrectomy- Narbona-Arnau laproscopic technique". Authors: **I.Hutopila**, C.Copaescu. The 25th International Congress of the European Association for Endoscopic Surgery (EAES), June 14-17th, 2017, Frankfurt, Germany

Imbunatatirea sau remisia sindromului metabolic dupa chirurgia bariatrica - "Improvement /remission of the Metabolic Syndrome after Bariatric Surgery". Authors: **I.Hutopila**. Prevention and Treatment of Diabetes Complications Conference, November 11th, 2016, Chisinau, Republic of Moldova

Tratamentul stenozelor dupa gastrectomia longitudinala laparoscopica - "Treatment of stenosis after laparoscopic sleeve gastrectomy". Authors: .

I.Hutopila. World Congress of International Federation for the Surgery of Obesity and Metabolic , August 26-29th, 2015, Vienna, Austria

Chirurgia revizionala dupa gastric bypass pe ansa in Y pentru hipoglicemie - "Revisional Surgery after Laparoscopic Roux-en-Y Gastric By-Pass for Hypoglycemia". Authors: **I. Hutopila** , B. Smeu, S. Filip, M. Priboi, I. Balescu, S. Velici, I. Banescu, C. Copaescu. The 23rd EAES International Congress, Bucharest, Romania, 2015

O solutie particulara pentru dehiscenta totala de anastomoza eso-jejunala dupa chirurgie revizionala - "A particular solution for Total dehiscence of the esophago-jejunal anastomosis after Laparoscopic Revisional Surgery". Authors: **I. Hutopila** , B. Smeu, S. Filip, M. Priboi, I. Balescu, B.I. Banescu, S.C. Velici, C. Copaescu. The 23rd EAES International Congress, 2015, Bucharest, Romania,

Protocol de identificare activa a herniilor hiatale in timpul gastrectomiei longitudinale laparoscopice "Active Search for Hiatal Hernia in Laparoscopic Sleeve Gastrectomy- a Surgical Protocol". Authors: **I. Hutopila** , B. Smeu, M. Priboi, I. Balescu, S.C. Velici, C. Copaescu, The 7th National Symposium of Bariatric and Metabolic Surgery, Bucharest, Romania, 2015

Rezectie rectala laparoscopica pentru endometrioza profunda - "Laparoscopic Rectal Resection for Deep Infiltrating Endometriosis". The IVth National Congress of Coloproctology, October 2nd-4th, 2014, Bucharest, Romania

Rezectie gastrica proximala pentrun fistula gastro-gastrica dupa gastric bypass pe ansa in y a la Roux - "Laparoscopic proximal gastric resection for gastro-gastric fistula after laparoscopic Roux-en-Y gastric bypass". Authors: **I.Hutopila**, S.Filip, M.Priboi, B.Smeu, C.Copaescu. The XXI st International Congress of the European Association for Endoscopic Surgery (EAES), June 19th - 22nd , 2013, Vienna, Austria

Chirurgie laparoscopica dupa gastroplastie verticala cu bandare - "Laparoscopy after Open Vertical Banded Gastroplasty". Authors: **I.Hutopila**. The IV th National Symposium of Bariatric and Metabolic Surgery, December 15th , 2012, Bucharest, Romania

“Laparoscopic Redo Gastric Banding to Gastric Bypass”. Authors:
I.Hutopila, C.Copaescu. The IV th National Symposium of Bariatric and
Metabolic Surgery, December 15th , 2012, Bucharest, Romania

Tratamentul laparoscopic al herniilor hiatale voluminoase -
“Laparoscopic Treatment of Giant Hiatal Hernia”. Authors: **I. Hutopila**,
C.Copaescu. The XXVI th edition of National Surgery Congress, May 23rd-26th ,
2012, Timisoara, Romania
