

CATALINA NAUSICA PICU

PROFESSIONAL ACTIVITY

- July 2022 – present

Specialist Doctor, General Surgery – Medcover Hospital (Bucharest, Romania)

- August 2021 – present

Specialist Doctor, General Surgery – Monza Oncology Hospital (Bucharest, Romania)

- August 2021 – present

Specialist Doctor, General Surgery – Monza Hospital (Bucharest, Romania)

- July 2021 – October 2021

Specialist Doctor, General Surgery – Ponderas Academic Hospital (Bucharest, Romania)

- January 2015 – March 2021

Resident Doctor, General Surgery – Hepato-Pancreato-Biliary and Liver Transplantation Center, Fundeni Clinical Institute, Bucharest Romania

- 2017 – present

PhD student, General Surgery – “Titu Maiorescu” University of Medicine, Bucharest, Romania

- November 2019 – April 2020

Resident Doctor, General Surgery - *Centre Hépatobiliaire*, Paul Brousse Hospital, Villejuif, France (professor doctor René Adam); internship authorised by the

Romanian Ministry of Health

- May 2019 - November 2019

Resident Doctor, General Surgery – *Centre Hospitalier Universitaire de Nice*, Archet 2 Hospital, Nice, France (professor doctor Jean Gugenheim); internship authorised by the Romanian Ministry of Health

- 2014

License in Medicine (MD) – “Carol Davila” University of Medicine, Bucharest, Romania

- 2008 – 2014

“Carol Davila” University of Medicine, Bucharest, Romania

- 2004 – 2008

Saint Sava National College, Bucharest, Romania – Valedictorian (9.95/10)

SCIENTIFIC ACTIVITY

2022 – Monza National Conference: “Multidisciplinary medical team in a private hospital”, Bucharest, Romania

2022 - Inovative Treatments in Oncology”, Fundeni Clinical Institute, Bucharest, Romania
2022 - Romanian Medical Association Conference, Bucharest, Romania

2022 – National Conference of the Bucharest Medical College

2021 – National Conference of the Romanian Association of Hepato-Bilio-Pancreatic Surgery and Liver Transplantation, Bucharest, Romania

2021 – Precongress course “Actualities in liver resections, liver transplantation and in pancreas and biliary surgery”

2021 – Fundeni Clinical Institute Scientific Days, Bucharest, Romania

2021 – Multidisciplinary Congress “Together we build excellence” (The Royal Club of Doctors)

2021 – National Conference of the Bucharest Medical College

2021 – Bucharest PancreaticFest Conference

2021 – Romanian Surgery Online Conference

2021 - “Inovative Treatments in Oncology”. Fundeni Clinical Institute, Bucharest,

Romania

2021 - Romanian Medical Association Conference, Bucharest, Romania

2020 - European Association of Endoscopic Surgery (EAES) Online Congress

2020 - The 16th Francophone Congress of Digestive and Hepato-Pancreato-Biliary Surgery Association (SFCD-ACHBT), France

2020 - “Days of the Hepato-Biliary Center” (Paul Brousse Hospital), France

2020 – National Conference of the Medical College, Bucharest, Romania

2020 – POCU Project – PROGEN (Genetics), Fundeni Clinical Institute, Bucharest, Romania

2020 - “Inovative Treatments in Oncology”, Fundeni Clinical Institute, Bucharest, Romania

2020 - Romanian Medical Association Conference, Bucharest, Romania

2019 - The 15th Francophone Congress of Digestive and Hepato-Pancreato-Biliary Surgery Association (SFCD-ACHBT), France

2019 - “Inovative Treatments in Oncology”, Fundeni Clinical Institute, Bucharest, Romania

2019 - The 7th Conference of the College of Physicians of Bucharest, Romania

2019 - Laparoscopic liver surgery course, Fundeni Clinical Institute, Bucharest, Romania

2019 - Surgical stapling course, Center of Excellence in Translational Medicine, Fundeni Clinical Institute, Bucharest, Romania

2018 - The National Congress of the Romanian Association of Hepato-Pancreato-Biliary Surgery and Liver Transplantation, Cluj-Napoca, Romania - oral presentation: “Anatomical hepatic arterial variants, arterial anastomoses and reconstruction techniques in liver transplantation”

2018 - The National Congress of the Romanian Association of Hepato-Pancreato-Biliary Surgery and Liver Transplantation, Cluj-Napoca, Romania - Course: “Onco-surgical strategies for the treatment of liver metastases”

2018 - The Annual Congress of the Romanian Medical Association, Bucharest, Romania

2018 - Project - “Pathogenic mechanisms and personalized treatment of pancreatic cancer” - “Dan Setlacec” Center for General Surgery and Liver Transplantation and Center of Excellence in Translational Medicine, Fundeni Clinical Institute, Bucharest, Romania

2018 - Project - "Professional training in genetics" (PROGEN), Center of Excellence in Translational Medicine, Fundeni Clinical Institute, Bucharest, Romania

2018 - Pancreatic Pathology Course and Ecoendoscopy Workshop in Pancreatic Pathology with international participation, Bucharest, Romania

2018 - The National Congress of Surgery, Sinaia, Romania- oral presentation: "Anatomical hepatic arterial variants, arterial anastomoses and reconstruction techniques in liver transplantation"

2018 - The National Congress of Surgery, Sinaia, Romania - Course "Laparoscopy in abdominal emergencies"

2018 - The National Congress of Surgery, Sinaia, Romania - Course "Therapeutic attitude in acute diffuse peritonitis"

2018 - The 10th Romtransplant Congress - Center of Excellence in Translational Medicine, Fundeni Clinical Institute, Bucharest, Romania

2018 - Academician "Nicolae Cajal" Symposium, Romanian Academy of Medical Sciences, Bucharest, Romania

2018 - Conference – "Days of the Fundeni Clinical Institute", Bucharest, Romania

2017 - Academician "Nicolae Cajal" Symposium, Romanian Academy of Medical Sciences, Bucharest, Romania - poster paper: "Arterial anastomoses in liver transplantation"

2017 - The 13th Francophone Congress of Digestive and Hepato-Pancreato-Biliary Surgery Association (SFCD-ACHBT), Marne La Vallée, Disneyland, France

2017 - PhD project - General Surgery - "Titu Maiorescu" University of Medicine, Bucharest, Romania -oral presentation: "Arterial anastomoses, anatomical variations and reconstructions in liver transplantation"

2017 - The National Conference of "Titu Maiorescu" University of Medicine ("Innovative transdisciplinary approaches in modern medicine"), Bucharest, Romania - oral presentation: "Arterial anastomoses in liver transplantation"

2017 - Workshop - "Titu Maiorescu" University of Medicine, Bucharest, Romania - "Hepatocellular carcinoma - diagnosis, evaluation methods, therapeutic attitude, perspectives", Bucharest, Romania

2017 - Workshop - "Intraoperative liver ultrasound" - "Dan Setlacec" Center for General Surgery and Liver Transplantation, Fundeni Clinical Institute, Bucharest, Romania

2017 - Workshop - "Liver resections" - "Dan Setlacec" Center for General Surgery and Liver Transplantation, Fundeni Clinical Institute, Bucharest, Romania

2017 - The 9th Congress of the Romanian Association of Endoscopic Surgery, Bucharest, Romania

2017 - The National Surgery Conference, Iasi, Romania - oral presentations: "Arterial anastomoses in liver transplantation"; "Surgical treatment of multiple bilobar hepatic hydatidosis: case presentation"

2017 - Course - "Modern technologies for the diagnosis and treatment in hepato-biliary surgery" – The National Conference of Surgery, Iasi, Romania

2017 - Course - "EFISDS - Standards and guides in pancreatic surgery" - The National Conference of Surgery, Iasi, Romania

2017 - Academician "Nicolae Cajal" Symposium, Romanian Academy of Medical Sciences, Bucharest, Romania

2017 - The 11th Annual Congress of the Romanian Medical Association, Bucharest, Romania
2017 - The 5th Conference of the College of Doctors of Bucharest, Romania

2017 - Conference - "Innovative Treatments in Oncology - Molecular Analysis and Individualized Cancer Therapy", Bucharest, Romania

2017 - Pancreatic Pathology Course and Ecoendoscopy Workshop in Pancreatic Pathology with international participation, Bucharest, Romania

2017 - Conference - "Days of the Fundeni Clinical Institute", Tulcea, Romania - oral presentations: "Arterial anastomoses in liver transplantation"; "Surgical treatment of multiple bilobar hepatic hydatidosis: case presentation"

2017 - Conference - "Therapy of diabetic patients with autologous cells obtained by transdifferentiation of liver cells (Dia-Cure)", "Titu Maiorescu" University of Medicine, Bucharest, Romania

2016 - Project - Liver Transplantation, "Dan Setlacec" Center for General Surgery and Liver Transplantation, Fundeni Clinical Institute, Bucharest, Romania (Implemented by the Romanian Academy of Medical Sciences) - Training in the field of Transplantation Surgery

2016 - Pancreatic Pathology Course and Ecoendoscopy Workshop in Pancreatic Pathology with international participation, Bucharest, Romania

2016 - Conference – "Days of Fundeni Clinical Institute", Brasov, Romania

2012 - "Medical aid" (Workshops and round tables on emergency medicine) – Bucharest Clinical Emergency Hospital, Romania

2011 - The National Congress for students - "Carol Davila" University of Medicine, Bucharest, Romania

2010 - The National Congress for students - "Carol Davila" University of Medicine,

Bucharest, Romania

2009 - General surgery workshops – “Knots and sutures”, “Basic skills of general surgery” - “Carol Davila” University of Medicine, Bucharest, Romania
