

SCHEDULE
Second semester 2025 / 2026

	Group	8-10	10-12	12-14	14-16	16-18	18-20
MONDAY	1	Physical education Timpuri Noi				Romanian II S001	Contraception VS family planning (opt) S001
	2						
	3	Physical education Timpuri Noi					
	4						
TUESDAY	1	The morphology of teeth and dental arches 405		Anatomy and embriology II D05		Biochemistry L502	
	2			The morphology of teeth and dental arches 405	Biochemistry L502		Anatomy and embriology II D05
	3			Physiology II L102	The morphology of teeth and dental arches 405		Biochemistry L502
	4				Anatomy and embriology II D05	The morphology of teeth and dental arches 405	
WEDNESDAY	1	Physiology II S001	Physiology II S001		The morphology of teeth and dental arches A203		
	2					Physiology II L201	
	3					The morphology of teeth and dental arches 403	
	4						The morphology of teeth and dental arches 403
THURSDAY	1	The morphology of teeth and dental arches 405				Anatomy and embriology II S001	Biochemistry of oral cavity A203
	2			The morphology of teeth and dental arches 405			
	3			Anatomy and embriology II D05			
	4						
FRIDAY	1				Histology. Citology S001	Histology. Citology D01	Histology. Citology D01
	2						
	3		Histology. Citology D01				
	4		Physiology II L201	Histology. Citology D01		Biochemistry L502
