Total credits Semester I	30
YEAR I – SEMESTER II INDIVIDUAL SCIENTIFIC RESEARCH PROGRAMME	
A. Dissemination of scientific research results	
<i>1. Participation in scientific events</i>	5
<i>2. Documentation and research, scientific publications in specialised journals</i>	10
B. Preparation of the progress report and individual training programme	15
Total Semester II credits	30
TOTAL YEAR I CREDITS	60
YEAR II INDIVIDUAL SCIENTIFIC RESEARCH PROGRAMME	
A. Dissemination of scientific research results	
<i>1. Presentation of a research paper</i>	15
<i>2. Participation in scientific events</i>	15
<i>3. Documentation and research, scientific publications in specialised journals</i>	20
B. Preparation of the progress report and individual training programme	10
TOTAL YEAR II CREDITS	60

YEAR III INDIVIDUAL SCIENTIFIC RESEARCH PROGRAMME	
A. Dissemination of scientific research results	
<i>1. Presentation of two research papers</i>	20
<i>2. Participation in scientific events</i>	10
<i>3. Documentation and research, scientific publications in specialised journals</i>	10
B. Preparation of the progress report and individual training programme	10
C. Evaluation and defence of the doctoral thesis before the Guidance Committee	10
TOTAL YEAR III CREDITS	60

YEAR IV INDIVIDUAL SCIENTIFIC RESEARCH PROGRAMME	
A. Dissemination of scientific research results	
<i>1. Documentation for completion of the doctoral thesis</i>	10
<i>2. Preparation of the doctoral thesis drafting</i>	20
B. Preparation of the progress report and individual training programme	10
C. Public defence of the doctoral thesis before the Specialised Committee	20
TOTAL YEAR IV CREDITS	60

Extracurricular lectures in foreign languages (French, English and Spanish)

Director of CSUD
Prof. PhD Ionica Oncioiu

Director of the Doctoral School
Prof. Phd Sebastian Bodu
